LLOYD SPETZ POST NO. 1

WELCOME BASEBALL FANS:

On behalf of the members of the American Legion Lloyd Spetz Post No. 1 and the members of the Baseball Committee, I welcome you to the 1985 baseball season. Again this year we will be fielding three teams, the Governors (AA) and two A teams, the Royals and Scarlets. The players are showing enthusiasm, are full of desire, and are very optimistic following a winning 1984 season. All they need is your encouragement and support to make this season entertaining and fun for all.

I wish to thank the organizations and businesses that have supported us in the past and again this year. This is an excellent youth program and without the community interest, it would not be as successful.

To the visiting players, coaches, and fans, we would like to say, "Welcome to Bismarck". If we can do anything to make your stay more comfortable, please contact any of the baseball committee members listed below, we'd be happy to help you.

Many hours of hard work from a fine committee of volunteers and a capable coaching staff is essential in making this baseball program a success. I want to extend the appreciation from the players and myself to you all for a job well done.

COME ON OUT TO THE GAMES, HAVE FUN AND ENJOY THE 1985 SEASON

Bismarck

American Legion Baseball

The Bismarck 1985 American Legion Baseball Program will consist of three teams. The Governors, Royals and Scarlets. Our goal in 1985 is that all interested ballplayers be given the opportunity to play Legion baseball in Bismarck. The Governors, our "AA" varsity team, will play about a 60-game schedule. Post-season play will include the Western Division Tournament in Minot, and the State Tournament in Wahpeton, the 1985 "AA" All-Star game is slated in Bismarck, July 28th.

North Dakota American Legion baseball is set in two divisions geographically, East and West. Bismarck is a member of the Western Division along with Mandan, Dickinson, Minot and Williston. At the end of the regular season, each division has a tournament to decide which teams will represent that division in the State Tournament. The two top finishers from each division will meet in an "AA" Tournament and the four regional "A" winners will meet in an "A" Tournament. There will be two state champions declared in these tournaments that will be conducted in the same field and run simultaneously. The two winners will then meet in a best-of-three series at the site of the "AA" champions to declare an overall state champion that will advance to national playoffs. The champion then enters a Regional Tournament against the South Dakota, Minnesota, Iowa, Nebraska, Kansas and Missouri champions and a host team. The winner of this tournament advances to the American Legion World Series to determine the National Champion.

This season, the Bismarck American Legion Baseball Program will again sponsor two "A" teams the Royals and Scarlets. Each squad will consist of 15 players in the 14 to 16 year age bracket. Each team will play approximately thirty-five games with practices beginning the middle of May the season concluding around the first part of August with participation in a district tournament. There is an opportunity to advance to Regional and State competition for the district winner. Most games are scheduled during the week in order to leave weekends free for family activities.

Weather permitting practices are held each day that games are not scheduled. The Royals practice time is 12:30 p.m. and the Scarlets practice time is 10:00 a.m. Squad members are chosen by position in an effort to make each team equally competitive.

Each team member will be provided with a uniform, cap and carrying bag. The players furnish their own gloves, shoes, and personal equipment.

We welcome any interested youth between 13 and 16 years of age to try out for this program. It is an opportunity to be exposed to a high caliber of baseball in preparation for a varsity career. This is accomplished by spending the practice times on the basic fundamentals of the game. Although roster numbers are limited, we are hopeful that the two-team structure will allow any interested young man the opportunity to become a quality baseball player.

Historically, the Bismarck American Legion Baseball Program has been financed by the Bismarck Legion Club which donates a substantial portion of the costs of this program. The Lloyd Spetz Post No. 1 and its Athletic Committee are particularly grateful for the money, services and time donated by the many individuals, organizations, and businesses which is a vital part of funding this program.

This program has much to offer any young man that is involved with it. Along with providing an opportunity to play baseball at a top-notch level, it can provide an opportunity to make friends, to do some traveling, learn the fame of baseball, and belong to a prestigious organization such as American Legion Baseball.

The Bismarck American Legion Baseball Program, along with the Bismarck Parks and Recreation also co-sponsor the Bismarck Rookie League. Although the major objective we wish to achieve is a recreational activity for this age group, we also wish to develop baseball skills to enable participants to become better players and fans.

The Rookie League consists of young athletes who have completed the 7th, 8th and 9th grades. Players graduating from the Youth Baseball Program into the Rookie League will find a more organized, more disciplined, more competitive type of baseball in order to develop their baseball skills.

Coaches for Rookie League teams are volunteer adults who have an interest in the development of youth and their talents. Whenever possible, the umpires for regular league games are chosen from the assistant supervisors of the Parks and Recreation Youth Baseball Program.

LLOYD SPETZ POST NO. 1 AND THE BISMARCK PARK BOARD THANK

Dakota Sand and Gravel

For donating the cost of the concrete used to improve our ball park this year. Through this generous donation and the efforts of the Park Board Staff and the Legion Athletic Committee, our players are now enjoying carpeted concrete dugout aprons, coaching boxes and runways.

WHY DO WE OFFER SUCH A WIDE VARIETY OF SERVICES?

BECAUSE WE'D LIKE TO BE YOUR BANKER!

Trying to keep track of your money is tough when your checking is in one bank, IRA at another, your mortgage is three states away and you have a savings plan at work.

That's why we offer a complete range of financial services at Metropolitan. So you don't need to chase around to different locations — all you have to do is make one stop at Metropolitan.

We can offer checking, savings, loans for personal, home or business use, and a host of other financial services. For

example, when your checking account is at Metropolitan you have "local checking" privileges at all 38 Metropolitan offices.

So if you're tired of chasing your money around town, maybe it's time to try a bank that has all the services you need. Our expert staff would be happy to meet with you and explain our variety of services. Because we'd like to be your banker!

COVERING ALL THE BASES

Myron Cullen, L.A.T.C.

Hans Bergh, L.A.T.C.

Mark Romanick, L.A.T.C.

Doug Bradford, L.A.T.C.

The Bismarck Governors will once again be relying on four returning veterans to help insure a winning season. They are Myron Cullen, Hans Bergh, Mark Romanick, and Doug Bradford.

These four individuals are all specially trained in the treatment of athletic injuries and are employed at the St. Alexius Western Dakota Institute of Sports Medicine.

One of them will be on hand for each of the Governors' home games and will provide medical coverage to injured athletes.

Along with providing home-game coverage for the Governors, the Western Dakota Institute of Sports Medicine will provide free injury evaluation and screening for all other players involved with American Legion Baseball.
