Mel Bentz

ATHLETIC OFFICER
LLOYD SPETZ POST NO. 1

Welcome to the 1988 baseball season. We are fielding three teams, the Governors "AA" and two A teams, the Royals and Scarlets. The players are enthusiastic, full of desire, and very optimistic. All they need is your encouragement and support to make this season entertaining and fun for all.

Thanks to the organizations and businesses that have supported us in the past and again this year. With community support it has made baseball an excellent summer program. Thanks again.

We welcome all visiting team members and fans to Bismarck. If we can help to make your stay more comfortable, please contact any of the following committee members.

Many hours of hard work from a fine committee of volunteers and a capable coaching staff is essential in making the baseball program a success. I extend the appreciation of the players and myself to you for a job well done.

COME TO THE GAMES, HAVE FUN AND ENJOY THE 1988 SEASON

NEW IMAGING SYSTEM PREVIEWS COSMETIC SURGERY FOR PATIENTS

- Drs. Ronald R. Henrickson and Steven Spotts, physicians at the Cosmetic Surgery Center at ENT, are using a new Computer Imaging System to show patients how they might look after cosmetic surgery.

- The Imager enables the patients and the physician to **preview** the outcome of various cosmetic surgery procedures, helping alleviate patient uncertainty by being able to see in advance what realistically can and should be done.

- The Cosmetic Surgery Center at ENT will be glad to demonstrate the Imager in the Bismarck office. For more information or a demonstration appointment, contact the Cosmetic Surgery Center at 258-6556 or call N.D. Toll Free 1-800-472-2671.

Bismarck American Legion Baseball

The Bismarck 1988 American Legion Baseball Program will consist of three teams. The Governors, Royals, and Scarlets. Our Goal in 1988 is that all interested ballplayers be given the opportunity to play Legion baseball in Bismarck. The Governors, our "AA" varsity team, will play about a 50 game schedule. Post-season play will include the Western Division Tournament in Dickinson and the State Tournament in Minot. The 1988 "AA" All-Star game is slated in Bismarck, July 24th.

North Dakota American Legion baseball is set in two divisions geographically, East and West. Bismarck is a member of the Western Division along with Mandan, Dickinson, Minot, and Williston. At the end of the regular season, each division has a tournament to decide which teams will represent that division in the State Tournament. The state champion then enters a Regional Tournament against South Dakota, Minnesota, Iowa, Nebraska, Kansas, and Missouri champions and a host team. The winner of that tournament advances to the American Legion World Series to determine the National Champion.

This season the Bismarck American Legion Baseball Program will again sponsor two "A" teams the Royals and Scarlets. Each squad will consist of 14-15 players in the 14 to 16 year age bracket. Each team will play approximately thirty-five games with practices beginning the middle of May, the season concluding around the first part of August with participation in a district tournament. There is an opportunity to advance to Regional and State competition for the district winner. Most games are scheduled during the week in order to leave weekends free for family activities.

Weather permitting practices are held each day that games are not scheduled. The Royals practice time is 12:30 p.m. and the Scarlets practice time is 10:00 a.m. Squad members are chosen by position in an effort to make each team equally competitive.

Each team member will be provided with a uniform, cap, and carrying bag. The players furnish their own gloves, shoes, and personal equipment.

We welcome any interested youth between 14 and 16 years of age to try out for this program. It is an opportunity to be exposed to a high caliber of baseball in preparation for a varsity career. This is accomplished by spending the practice times on the basic fundamentals of the game. Although roster numbers are limited, we are hopeful that the two-team structure will allow any interested young man the opportunity to become a quality baseball player.

Historically, the Bismarck American Legion Baseball Program has been financed by the Bismarck Legion Club which donates a portion of the costs of the program. The Lloyd Spetz Post No. 1 and its Athletic Committee are particularly grateful for the money, services, and time donated by the many individuals, organizations, and businesses which is a vital part of funding this program.

The program has much to offer any young man that is involved with it. Along with providing an opportunity to play baseball at a top-notch level, it can provide an opportunity to make friends, to do some traveling, learn the fame of baseball, and belong to a prestigious organization such as American Legion Baseball.

The Bismarck American Legion Baseball Program, along with the Bismarck Parks and Recreation also co-sponsor the Bismarck Babe Ruth Program. Although the major objective we wish to achieve is a recreational activity for this age group, we also wish to develop baseball skills to enable participants to become better players and fans.

The Babe Ruth League consists of young athletes who have completed the 7th, 8th, and 9th grades. Players graduating from the Youth Baseball Program into the Babe Ruth League will find a more organized, more disciplined, more competitive type of baseball in order to develop their baseball skills.

Coaches for Babe Ruth League teams are people who have an interest in the development of youth and their talents. Whenever possible, the umpires for regular league games are chosen from the assistant supervisors of the Parks and Recreation Youth Baseball Program.

Since 1895 Piper brokers have recognized that investing is not a one-dimensional business.
