Lloyd Spetz Post No. 1 - Bismarck, ND

Mel Bentz

ATHLETIC OFFICER
Lloyd Spetz Post No. 1

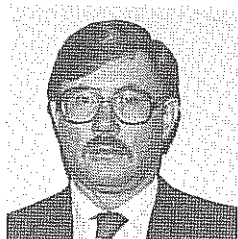

Welcome to the 1991 baseball season. Again, we are fielding three teams, the Governors "AA" and two A teams, the Scarlets and Royals. The players are enthusiastic, full of desire, and very optimistic. All they need is your encouragement and support to make this season entertaining and fun for all.

Thanks to the organizations and businesses that have supported us in the past and again this year. With community support it has made baseball an excellent summer program. Thanks again.

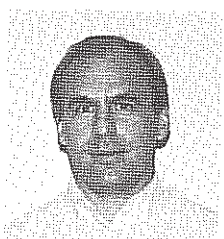

Many hours of hard work from a fine committee of volunteers and a capable coaching staff is essential in making the baseball program a success. I extend the appreciation of the players and myself to you for a job well done.

We welcome all visiting team members and fans to Bismarck. If we can help to make your stay more comfortable, please contact any of the following committee members.

Bismarck American Legion Baseball

The Bismarck 1991 American Legion Baseball Program will consist of three teams - the Governors, Royals, and Scarlets. Our goal in 1991 is that all interested ballplayers be given the opportunity to play Legion baseball in Bismarck. The Governors, our "AA" varsity team, will play about a 55 game schedule. Post-season play will include the Western Division Tournament in Bismarck and the State Tournament in Jamestown.

North Dakota American Legion baseball is set in two divisions geographically, East and West. Bismarck is a member of the Western Division along with Mandan, Dickinson, Minot, and Williston. At the end of the regular season, each division has a tournament to decide which teams will represent that division in the State Tournament. The state champion then enters a Regional Tournament against South Dakota, Minnesota, Iowa, Nebraska, Kansas, and Missouri champions and a host team. The winner of that tournament advances to the American Legion World Series to determine the National Champion.

This season the Bismarck American Legion Baseball Program will again sponsor two "A" teams - the Scarlets and Royals. The Scarlets will consist of about 15 players in the 15 and 16 year age bracket, and will play approximately 50 games. The Royals will carry 14 to 18 players in the 14 to 15 year age bracket, and will play about 40 games. Practices begin the middle of May, with the season concluding around the first part of August with participation in a district tournament. There is an opportunity to advance to Regional and State competition for the district winner. Most games are scheduled during the week in order to leave weekends free for family activities.

Weather permitting, practices are held each day that games are not scheduled. The Royals practice time is 12:30 p.m., and the Scarlets practice time is 10:00 a.m. Squad members are chosen by position in an effort to make each team equally competitive.

We welcome any interested youth between 14 and 16 years of age to try out for this program. It is

an opportunity to be exposed to a high caliber of baseball in preparation for a varsity career. This is accomplished by spending the practice times on the basic fundamentals of the game. Although roster numbers are limited, we are hopeful that the two-team structure will allow any interested young man the opportunity to become a quality baseball player.

Historically, the Bismarck American Legion Baseball Program has been financed by the Lloyd Spetz Post No. 1, which donates a portion of the costs of the program. The Lloyd Spetz Post No. 1 and its Athletic Committee are particularly grateful for the money, services, and time donated by the many individuals, organizations, and businesses which is a vital part of funding this program.

The program has much to offer any young man that is involved with it. Along with providing an opportunity to play baseball at a top-notch level, it can provide an opportunity to make friends, to do some traveling, learn the game of baseball, and belong to a prestigious organization such as American Legion Baseball.

The Bismarck American Legion Baseball Program, along with the Bismarck Parks and Recreation also co-sponsors the Bismarck Babe Ruth Program. Although the major objective we wish to achieve is a recreational activity for this age group, we also wish to develop baseball skills to enable participants to become better players and fans.

The Babe Ruth League consists of young athletes who have completed the 7th, 8th, and 9th grades. Players graduating from the Youth Baseball Program into the Babe Ruth League will find a more organized, more disciplined, more competitive type of baseball in order to develop their baseball skills.

Coaches for Babe Ruth League teams are people who have an interest in the development of youth and their talents. Whenever possible, the umpires for regular league games are chosen from the assistant supervisors of the Parks and Recreation Youth Baseball Program.

CHARTER COACH SERVICE

Anywhere in U.S. or Canada - ICC & PSC Authorities

One of our primary fund raising activities is our annual Pancake and Sausage Breakfast, which was held on Sunday, April 28th. The money raised goes to support our three baseball teams, the Scarlets, Royals and Governors.

Each player is asked to participate by selling tickets and helping with the food service. Many of our parents also participate as evidenced by the pictures.

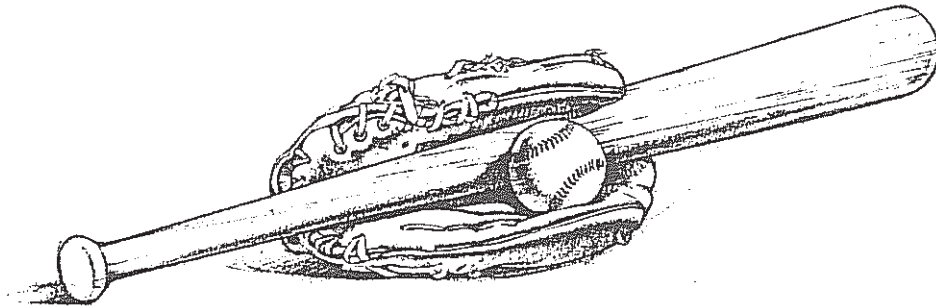

We are extremely grateful to the many parents, players and coaches who assisted us this year and to those of you who purchased tickets and attended our breakfast.

The following firms donated products for our pancake and sausage breakfast this spring. Their generous support helped make our fund raising project most successful.

THANK YOU!

Dear Mom and Dad,

"I hope you won't get mad at me for writing this letter, but you always told me never to hold anything back and to bring it out in the open. So here goes . . . it's about Baseball."

"You're always embarrassing me. Yesterday when I went for an extra base trying to score, I fell, and well, Mom, I could hear you yelling at the catcher for tagging me out. Gosh, Mom, it wasn't his fault. He's supposed to keep me from scoring."

"Then do you remember yelling at me to get closer to the base? Well, gee I didn't know what to do then, cuz the coach told me to play my position and I couldn't if I listened to you. So while I tried to decide what to do, the other team scored against us. Then you yelled at me for being in the wrong place. I wish you'd yell some good things at us sometimes."

"Dad, you're always yelling to hit a home run, gosh, I'd rather just hit a single than sit on the bench because I struck out. Besides, my coach tells me to just try to make contact with the ball and get on base. That way it's a team game and everyone is contributing no matter if we win or lose. I'm not saying that all coaches teach that way, but our coach tells us we've got lots of time to learn how to hit for power and homeruns."

"But what really got me mad, Mom and Dad, was what happened after the game. You shouldn't have jumped on the coach for pulling me off the field. He's a pretty good coach and he knows when he needs a strong fielder. Besides he's a person who comes to the ball park at all hours to help us kids, cuz he likes sports and he likes kids. And then neither of you spoke to me the whole way home. I guess you think I'm just a lousy baseball player. And I guess I am. But I love baseball. I like being with the other kids and learning how to compete as a good sport in a really great sport."

I guess what I'm trying to say, Mom and Dad, is I wish you were good sports cuz I thought I was playing baseball for fun, to have a good time, to learn how to play a sport as a team member and learn sportsmanship."

"I didn't know you were going to be upset because I couldn't become a star."

Since 1895 Piper brokers have recognized that investing is not a one-dimensional business. SOLD... BECAUSE IT'S A GAS HOME.

Ask any realtor... most homes will sell faster and for more money if they have natural gas. Why?

Gas heat costs less than other popular forms of pollution-free energy... and gas heat is *warm* heat. Some forced air heating systems deliver air that actually seems cool... not so with gas heat... you get economy and comfort with a gas heating system.

Add a fast recovery gas water heater that supplies all the hot water you want whenever you want it and you save even more. Generally gas water heating is less than

half the operating cost of a flameless model.

A new gas range is another reason homes sell better quicker. A gas range is the only type of range that gives you the instant heat you want plus the infinite temperature control you need for better cooking.

And finally a gas dryer offers you additional operation savings over the flameless model.

Four good reasons why gas homes are on and off the market quick... ask a realtor... Gas because it's your money.

Gas... because it's your money
