WE SUPPORT THE AMERICAN LEGION **BASEBALL PROGRAM** 

## Welcome to the 1999 Baseball Season

MEL BENTZ Post Athletic Chairman

JERRY VOEGELE Legion Baseball Committee Chairman

DON ANDERSON

Again, we are fielding three teams, the Governors "A" and two "B" teams, the Scarlets and Royals. The players are enthusiastic, full of desire, and very optimistic. All they need is your encouragement and support to make this season entertaining and fun for all.

Thanks to the organization and businesses that have supported us in the past and again this year. With community support it has made baseball an excellent summer program. Thanks again.

Many hours of hard work from a fine committee of volunteers and a capable coaching staff are essential in making the baseball program a success. I extend the appreciation of the players and myself to you for a job well done.

We welcome all visiting team members and fans to Bismarck. If we can help to make your stay more comfortable, please contact any of the following committee members.

## Bismarck American Legion Baseball

The Bismarck 1999 American Legion Baseball Program will consist of three teams - the Governors, Royals, and Scarlets. Our goal in 1999 is that all interested ballplayers be given the opportunity to try out Legion baseball in Bismarck. The Governors, our "A" varsity team, will play about a 65 game schedule. Post-season play will include the Western Divisional playoff in Bismarck and the State Tournament in Grand Forks.

North Dakota American Legion Baseball is set in two divisions geographically, East and West. Bismarck is a member of the Western Division along with Mandan, Devils Lake, Dickinson, Minot, and Williston. The Eastern Division consists of Fargo, Grand Forks, Jamestown, Valley City, Wahpeton, and West Fargo. Each division sends the top four seeds from the Divisional Tournament to the State Tournament. The state champion then enters a Regional Tournament against South Dakota, Minnesota, Iowa, Nebraska, Kansas, and Missouri Champions and a host team. The winner of that tournament advances to the American Legion World Series to determine the National Champion.

This season the Bismarck American Legion Baseball Program will again sponsor two "B" teams - the Scarlets and Royals. The Scarlets will consist of 15 players in the 14 - 16 year age bracket, and will play approximately 50 games. The Royals will carry about 15 players in the 14 - 15 year age bracket, and will play about 40 games. Squad members on the Scarlets and Royals are chosen on a leveled structure parallel to a junior varsity sophomore team setup. Practices begin the middle of May, with the season concluding the 3rd week in July with participation in a District Tournament. There is an opportunity to advance to Regional and State competition for the district winner. Weather permitting, practices are held each day that games are not scheduled.

We welcome any interested youth between 14 and 16 years of age to try out for this program. It is an opportunity to be exposed to a high caliber of

baseball in preparation for a varsity career. This is accomplished by spending the practice times on the basic fundamentals of the game. Although roster numbers are limited, we are hopeful that the two-team structure will allow any interested young man the opportunity to become a quality baseball player.

Historically, the Bismarck American Legion Baseball Program has been financed by the Lloyd Spetz Post No. 1, which donates a portion of the costs of the program. The Lloyd Spetz Post No. 1 and its Athletic Committee are particularly grateful for the money, services, and time donated by the many individuals, organizations, and businesses which is a vital part of funding this program.

The Program has much to offer any young man that is involved with it. Along with providing an opportunity to play baseball at a top-notch level, it can provide an opportunity to make friends, to do some traveling, learn the game of baseball, and belong to a prestigious organization such as American Legion Baseball.

The Bismarck American Legion Baseball Program, along with the Bismarck Parks and Recreation also co-sponsors the Bismarck Babe Ruth Program. Although the major objective we wish to achieve is a recreational activity for this age group, we also wish to develop baseball skills to enable participants to become better players and fans.

The Babe Ruth League consists of young athletes in the 13-18 yr. old age range. Players graduating from the Youth Baseball Program into the Babe Ruth League will find a more organized, more disciplined, more competitive type of baseball in order to develop their baseball skills.

Coaches for Babe Ruth League teams are people who have an interest in the development of youth and their talents. Whenever possible, the umpires for regular league games are chosen from the assistant supervisors of the Parks and Recreation Youth Baseball Program.

GENE SEVERSON

#### Gene Severson

**GOVERNORS COACH** 

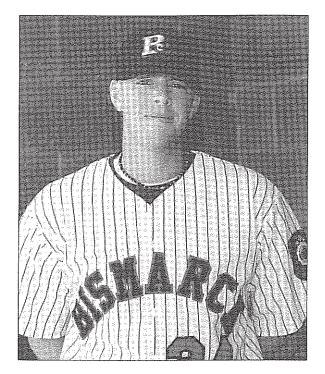

Coach Severson is a retired teacher from the Bismarck Public School System. He taught and coached at Northridge Elementary 30 years before retiring in 1993. He is a member of both the American Baseball Coaches Association and the Baseball Coach's Association.

Gene was a supervisor and coordinator of youth baseball for the Bismarck Parks and Recreation for 12 years before joining the American Legion Program. He was instrumental in organizing the Rookie League Baseball Program in 1977, the forerunner of the present Babe Ruth Program for 13-15 year olds. Coach Severson served as the varsity assistant during the 1978 season and was the Scarlets coach from 1979-1994. The Scarlets won the state 'B' championship in 1993.

This is his 5th year coaching the Governors. The Governors won the state championship in 1997. Gene was Coach of the year in 1997 and 1998.

Gene was the recipient of the Norwest Bank sponsored "Gold Award" in December, 1980 for his service and dedication to the youth of Bismarck. The Northridge Elementary School gymnasium was named and dedicated in his honor in September of 1988 for 30 years of coaching and supervising elementary sports programs at Northridge.

He and his wife, LeAnn, reside at 3128 Manitoba Lane.

# The Memories Station

Here in North Dakota we know it takes teamwork to keep rural America going. Your electric cooperative and Basin Electric understand that, too. That's why we put so much energy into things

like keeping electric rates stable, providing good service, maintaining efficient power plants, promoting safety and assisting communities in creating new jobs.

By working together, we can all play a part in keeping rural America on top.

STEVE FOLMER

#### Steve Folmer

SCARLETS COACH

Coach Folmer was born and raised in Wing, ND. He played high school and legion baseball for Wing-Tuttle-Robinson.

1999 will be Steve's 5th year as coach of the Bismarck Scarlets and Steve's 7th year in the Bismarck Legion system having coached the Bismarck Royals for 2 years. Coach Folmer enjoys being part of this very fine baseball program.

When Steve is not coaching baseball he serves as an Elementary School Counselor. He enjoys being able to work with children of all ages.

Steve and his wife, Roxanne, are the very proud parents of Alexis Anne, who will be three years old in July.

TROY OLSON

## Troy Olson ROYALS COACH

Troy Olson's Legion career in Bismarck went from 1984-1987. He began as a Royal and was a member of the 1986 State Champion Governors. After high school, he went on to play at UND for two seasons, spending the summers as the varsity assistant with the Dickinson Legion program. He also spent one season as an assistant at Century High. For the past six years, he served as the head coach for the Bismarck High School Baseball Club.

In the summers of 1993 and 1994 he was the Babe Ruth Coordinator for the Bismarck Park District. Troy has been coaching in the Bismarck Legion Program since 1995.

Troy and his wife, Tara, have two daughters, Tylie and Tava.

### SIMPLE EXPLANATION OF BASEBALL

This is a game played by two teams, one out the other in. The one that's in sends players out one at a time to see if they can get in before they get out. If they get out before they get in they come in but it doesn't count. If they get in before they get out it does count. When the ones out get three outs from the ones in before they get in without being out the team that's out comes in and the team in goes out to get those going in out before they get in without being out. When both teams have been in and out nine times the game is over. The team with the most in without being out before coming in wins unless the ones in are equal. In which case, the last ones in go out to get the ones in out before they get in without being out. The game will end when each team has the same number of ins out but one team has more in without being out before coming in.

# Step into the batter's box and gain a competitive edge with the

Frappier Acceleration

Programme Services and Services an

Baseball players don't have to be professional athletes to have a sports training program designed to give them the competitive advantage.

The Frappier Acceleration Program at the Human Performance Center offers baseball players of all ages – from youth to collegiate – that advantage through the use of a four training component: The Super Treadmill, Patented Sport Cord Training, Plyometrics and Individualized Strength Training.

Participants of the Frappier Acceleration Program can expect:

- Identification and correction of errors in running mechanics;
- Improvement in running acceleration and maximum sprint speed;
- Improvements in body balance and agility;
  - Increased throwing, hitting, explosive movements and overall strengthening.

The Human Performance Center also offers a Hitting Developmental Camp. This camp will help players improve their hitting mechanics through sport specific activities. It is available June 1, 1998. Also offered at HPC are the Adult Fitness Program, FREE injury screenings, injury prevention tips and fitness memberships for all ages.

For more information call:
